No man is an island

WB 4 Talking about a story

Seite 47

MORE: Vorschlag:

My favourite film is Casino Royale. It is an adventure film about people who want to steal money from other people. The main character is called James Bond. He is very clever. James has to win the money by playing cards but he cheats. I think he always feels very excited because his job is exciting. In the film he is also sad because he loves a woman but she dies. I like the story because there are lots of fights. Go and see it!
